## AMENDMENTS

### In the Specification

At page 9, line 12 of the specification, please add the following:

**--Figure 28 shows the separated individual display assemblies from an X-direction;**

**Figure 29 shows the separated individual display assemblies from a Y-direction;--**

Applicants respectfully submit that the above drawing figure descriptions were inadvertently left out of the Brief Description of the Drawings. Antecedent basis for these amendments may be found in the specification at page 40, lines 2-4, and the drawings as originally filed. No new matter has been added to the specification.

Applicants respectfully submit that the above amendments are merely for the correction of formal matters in the specification in response to the **Notice of Drawing Inconsistency with Specification** from the Office of Patent Publication/Publishing Division.

Applicants respectfully request that these amendments be accepted and entered for the publication of the resulting patent.

Applicants believe that there are no fees due in association with the filing of this Response. However, should the Commissioner deem that any fees are due, Applicants respectfully request that the Commissioner accept this as a Petition therefor, and direct that any and all fees due are charged to Baker Botts L.L.P. **Deposit Account No. 02-0383, Order Number 075115.0265.**
